# Our Team

MDD offers its employees great development opportunities. I find it exciting and challenging to be the part of the company's continued growth and success.

**Marcin Remus**  
CEO

We are adviser. Thanks to experience and product knowledge we can still look for better solutions. However, it is involvement combined with persistence that build the atmosphere of trust and safety. Our clients are our best partners and we treat them as we would like to be treated ourselves.

**Sylwia Pytlak**  
Head of Customer Service

We produce nearly all elements for MDD products in our factory, which ensures short lead time and the highest level of quality. We take all the responsibility for the furniture we make.

**Marek Dańków**  
Head of Production Department

Each new product, each new technology is a challenge and development opportunity at the same time. However, what motivates me is that thanks to our work somebody else works in better conditions – that's a matter of the utmost importance.

## What values do we follow?

### Team

We work as a team to achieve common goals.

### Development

We don't rest on our laurels, we still improve our skills and knowledge.

### Strength

focus on our talent assets to provide the highest level of performance.

# Products

Bringing new quality, our furniture is designed to support efficiency at your workplace.

Check out how #mddworks – following is a selected listing of our key product solutions that will give you the glimpse into our offer.

## Yan Drive

With electrical or manual adjustment, reaching the height of 1200 or 1300 mm – Drive ergonomic systems are an alternative for those tired of spending workday seated. Supporting every mode of work Yan- Drive collection allows you to raise or lower the worktop with the push of a single button. In addition, with a programmable control panel your favourite positions can be stored. Such solutions ensure comfort which in turn improves efficiency. Both in a single and dual version sit-stand desks offer the plurality of uses – from “assigned” workstation through meeting point to hot-desk.

## Alpa

Evoke the feel of nature in your spaces with this reception desk inspired by the shapes of the Alps. Crafted not only to make guests feel welcomed but also to suit the demands of modern reception areas, integrates the ALPA functionality with grace and timeless design. Luxurious and casual at the same time, a modular reception counter ALPA is available in various arrangement and colours. The glittering front made of glass enlivens every room despite its neutral colour – aluminium, black or white. Minimal aesthetic and clean lines are the most striking features of this reception desk that are highlighted by an illuminated kick plate.

## Mesh

Mesh is an elegant piece of furniture with a contemporary character. Designed to create friendly office spaces, it can be easily customised to fit a specific space or need. Mesh was created with a high attention to detail, combining a tailored, craft-based approach with the precision of high-volume technology. The frame was produced using precision bending machines and welding robots. The comfort and advanced shapes of the cushions were achieved using foam-injection moulding technology. All the elements were then upholstered with a precisely & painstakingly tailored, form-fitting fabric cover.
